Leather Concern is a reliable leathergoods manufacturing company. We have a leather goods manufacturing factory. Our dream is to make this factory one of the largest leather goods manufacturing companies with state-of-the-art facilities. Raw leather in Bangladesh is way more cheap that you can't imagine as well as labor cost. That's why we can supply finest leather products at a very cheap cost. Our main product categories are leather bags, leather shoes, sandals, boots, leather cases, covers, wallets, leather apparels and accessories. Anyone is welcome to visit our little factory and if you are interested to work with us, please don't hesitate to contact.
